Sleek Countertop Display

12½" L x 12½" w x 31" H

The anniversary dinner. The holiday party. The class
reunion. This is the look of Sleek.

Our designs are based on data from multiple paid
worldwide trend companies and a number of
fashion shows we've attended in the last year. Clean
metals with crystals were present and well sought
after throughout our research. During our travels
we found Swarovski® was easily the choice for
crystals. We considered all of this when designing
Sleek.

Our fresh and clean designs are sprinkled with a
few evergreen icons like butterflies and hearts. We
also added in a few silky, tantalizing pieces using

Swarovski®'s modern crystal shapes. The focal, bold
designs in our program are tasteful and minimalist
allowing the dynamic cuts of the crystals to shine.

We are excited to offer Sleek in enchanting, bold
colors including: Aquamarine Blue, Jet Black, Rose,
and mellow hues of Lavender, along with the classic
Crystal and Crystal AB, just to name a few.

Grace and glamour effortlessly come to mind when
wearing the look of Sleek.

Empowerment. Expression. Achievement. This is the look of Identify. We are thrilled to present Identify. A tasteful and stylish "design your own" personalized lanyard program that gives your retail guest the ability to mix and match their custom lanyard to complement any outfit. There are 16 lanyard bases, 4 tassel bases, and 24 snaps for a multitude of possibilities. Just pick your base, pick your snap, and complete your look.

High security in the workforce and on campus is now the norm and ID badges are required. But who says they can't be fun and sassy? Who says they can't accentuate your outfit? Who says you can't change it up whenever you'd like? With Identify, the boring lanyard disappears.

Our confident, yet fashionable lanyards are on trend. Step up that outfit with alluring beads or make it shine with shimmering rhinestones. The four tassel bases range in size and color and are great for your ID badge, keys, or a purse charm.

Attached to the end of the lanyards and tassels is a snap base reserved for one of 24 snaps we have to offer. Included in the snaps are popular icons such as the evil eye and the anchor, along with druzy and gemstone elements. You can buy one snap and wear it every day, or buy five—one for each day of the work week!

Inspiration and success easily come to mind when wearing the look of Identify.
